## PROFILE

---

International Management M.Sc. graduate with hands-on experience in B2B marketing, social media strategy, CRM-driven email marketing, and digital content creation across research, medical-tech, IT consulting, and financial services. Skilled in content planning, audience-focused messaging, WordPress content management, email campaigns, and short-form video production.

## EXPERIENCE

---

### Digital Marketing & Social Media Working Student | Greiff Research Institut GmbH May 2026 – Present

Freiburg im Breisgau, Germany      Digital Marketing | Social Media Management | Content Strategy | CRM-Driven Email Marketing

- Managing Instagram, LinkedIn, and TikTok social media channels, covering topic research, content planning, scriptwriting, editing, publishing, community monitoring, and performance tracking.
- Executing weekly email marketing campaigns through HubSpot, leveraging CRM-supported communication to strengthen audience engagement and maintain regular contact with key stakeholder groups.
- Supporting digital content management through WordPress website maintenance and daily editorial content creation, including the preparation of daily briefings tailored to key target groups.

### Marketing & Business Development Thesis Student | Stockert GmbH Sep 2025 – Feb 2026

Freiburg im Breisgau, Germany      B2B Marketing | UX & Website Optimization | Market Research | Project Management

- Led a WordPress website redesign based on applied UX thesis research, including information architecture, navigation flow, and content structure, to enhance usability, SEO performance, and lead generation in a B2B medical-tech environment.
- Developed a messaging framework to clarify the company's value proposition, created marketing brochures and collateral, and coordinated trade fair organization including booth planning and promotional materials.
- Managed cross-functional marketing and business development projects by setting priorities, tracking milestones, and aligning with internal teams.

### Marketing Working Student | AHMETTUERK IT and Strategy Consulting Apr 2025 – Aug 2025

Stuttgart, Germany      B2B Marketing | Social Media Management | Market Research

- Planned and produced B2B marketing content for LinkedIn and Instagram, including copywriting, visuals, and recurring campaign concepts, organized through structured Excel content calendars.
- Managed social media accounts and marketing materials by researching IT and consulting audiences, adapting messaging and positioning to target segments to increase engagement.

### Assistant in the Doctoral Office | University Hospital Tübingen Apr 2024 – Jul 2024

Tübingen, Germany      Organization | Communication | Administrative Tasks

- Coordinated doctoral office workflows, communicated with doctoral candidates, and maintained MS Access databases and structured filing systems.

### Employer Branding Intern | Yapı Kredi Bank Jun 2022 – Nov 2022

Istanbul, Türkiye      Marketing Strategy | Campaign Analysis | Employer Branding

- Conducted company-wide candidate experience surveys, analyzed results to identify needs and expectations, and restructured trainee program content based on data-driven insights.
- Planned and coordinated monthly HR social media content across departments to strengthen employer brand visibility and engagement.
- Managed university club partnerships, evaluating and selecting sponsorship and event opportunities aligned with employer branding goals.
